EXT: 7123

MOTION/RECOMMENDATION:

Approve Amendment #3 to RFP-4242-05/GMG (Part A) – Term Contract for the Purchase of Road Construction Products and Related Materials and In-place Services with Orlando Paving Company, Orlando.

County-wide

Ray Hooper

BACKGROUND:

RFP-4242-05/GMG provides for the purchase of road construction products and related materials and in-place services, for County-wide road projects. Amendment #3 will provide for an increase to the asphalt products due to rising costs in liquid asphalt, aggregate, fuel and labor. Consideration was given to the escalation of costs based on FDOT's Asphalt Price Index which is currently \$1.6486 per gallon as compared to \$1.2447 per gallon for asphalt in 2006 when the last price increase was approved for this contract by Amendment #2. The proposed price increase is in line with current pricing of other agencies. The current budgeted amount for these services and materials are \$4,500,000.00.

Authorization for performance of services by Contractor under this agreement shall be in the form of written Release Orders issued by the County. Each order shall describe the services required, state the dates for commencement and completion of the work and establish the amount and method of payment.

STAFF RECOMMENDATION:

Staff recommends the Board approve Amendment #3 to RFP-4242-05/GMG with Orlando Paving Company, Orlando.
